## Congressional Contact List

Military Legislative Assistants

Chiefs of Staff

Veterans Legislative Assistants

Education Legislative Assistants

Revision 1.01

Current as of: 12 SEPTEMBER 2011

### *What is this document?*

This document is a Name and E-mail Address Listing of the Senate and House Congressional: Military Legislative Assistants, Chiefs of Staff, Veterans Legislative Assistants, and Education Legislative Assistants. It has been prepared as a public service in order to facilitate American citizens being able to contact and communicate with their elected Congressional members in order to pursue their Constitutional right for "redress of grievances."

### *Who created this document?*

This document was created by the Washington Scholars Fellowship Program (Summer Class of 2011), with support and funding from several foundations and organizations. For full details about the program, please visit: [www.washingtonscholars.org](http://www.washingtonscholars.org). It is, without exception, the BEST FELLOWS PROGRAM in Washington, DC, USA. We encourage your sons and daughters, grandsons and granddaughters, nephews and nieces to apply to this prestigious, outstanding, and successful program.

### *When is this document available for use?*

This document is available for immediate use, free of charge. Periodically, revisions will be issued as updated information becomes available.

### *Why has this document been created?*

This Congressional Contact List, which is like no other, is created and distributed for our on-going efforts in facilitating a more effective and efficient government. Traditionally, finding an up-to-date listing of key Congressional Staffers has been difficult and even impossible at times. This listing's convenience, efficiency, and effectiveness is a function of being **one centralized listing** which includes all the necessary and pertinent information, is up-to-date, and goes through periodic review.

### *How current is this document?*

Revision 1.01 is current as of 12 SEPTEMBER 2011 and periodic updates will be distributed (denoted 1.1, 1.2, 1.3, etc.). The last update of Revision 1.x will be on 31 MAY 2012 (if required) with no revisions distributed between 31 MAY 2012 to 31 AUGUST 2012. During this period, the document will be overhauled for Revision 2.0 (to be made available on 1 SEPTEMBER 2012).

### *How is this document used?*

To view the information, select the appropriate TAB along the bottom left of the spreadsheet. TABS are labelled as:

- CCL INFO PAGE (*Main Page with Quick Links*)
- INSTRUCTIONS (*Page currently being viewed*)
- SENATE (*Full listing of Senators and their Congressional Staff*)
- HOUSE (*Full listing of Congressmen and Congresswomen and their Congressional Staff*)
- SENATE E-mails Only (*Congressional Staff listing showing ONLY e-mail addresses*)
- HOUSE E-mails Only (*Congressional Staff listing showing ONLY e-mail addresses*)
- CSV RAW DATA (*A comma separated value table where e-mail addresses can be easily exported for use*)
- UPDATES (*Tracks all changes from one revision to the next*)

For visual simplicity, members are color-coded based on their party. Additionally, **Filters** (drop down menus at the right-hand side of each cell) have been added along the column headers that can be used to sort information in ascending or descending order. Simply select your filter based on: State, Name, Party, or any other parameter available .

Please note: VACANT positions have BLANK fields (no placeholders) and **all hyperlinks are active**, meaning that if your device's e-mail client is linked to operate with your spreadsheet software, clicking the e-mail address will launch a window to compose a new message.

**Lastly, static PDF versions of this list have limited functionality and do not include all the data fields that the spreadsheet does.**

*Additional Notes for use:*

- Pressing the black bar along the top of each sheet will navigate you to the CCL INFO PAGE Quick Links tab (CSV RAW DATA tab **does not** have this feature included).
- E-mails Only tab displays continuous lists with **all vacant positions removed**.
- CSV RAW DATA tab is a sheet separated by party and staff-type. This data can be exported for immediate use into comma separate value formats (note: vacant positions have **not** been removed and vacant positions will be denoted with commas as placeholders during export).

*Is the document perfect?*

No. Considering staffers change positions, coupled with the sheer size of this listing, errors may be present. If you do encounter an error, it is for one of two reasons: a personnel change or an inadvertent typographical error has occurred. Please inform us of these errors by forwarding your error message to: [errors@washingtonscholars.org](mailto:errors@washingtonscholars.org). Your assistance helps us generate the periodic updates, which will be made available to you. Being an on-going process, with continual changes, we cannot ensure 100% accuracy of this document, though we do aim for it by keeping our statistical errors to below 0.5%. Additionally, if you have any suggestions to make this list better, please let us know using the same e-mail address listed above.

*Is there any other noteworthy information?*

Apart from making those around you aware of the Washington Scholars Fellowship Program, the answer is no. The primary purpose of this listing is to help *all* Americans receive the effective and efficient government they deserve: **a government that will serve the best interests of the United States of America.**
